

Governance Charter

ADOPTED JULY 2013
REVISED JULY 2018
REVISED OCTOBER 2018
REVISED NOVEMBER 2019

Preamble:

A Continuum of Care has served San Joaquin County since 1996, enabling the greater San Joaquin County community to respond to homelessness by implementing permanent housing projects. In 2015, at the request of several community-based homeless services providers, Supervisor Kathy Miller convened a working group of providers, first responders and interested parties from throughout San Joaquin County to explore opportunities for addressing the issue of homelessness. In January of 2016, the San Joaquin County Board of Supervisors took action to expand the membership and officially designate the group the San Joaquin County Homelessness Task Force. The Homelessness Task Force (HTF) met monthly to exchange information, share best practices, and foster collaboration to improve homelessness outcomes on a county-wide basis.

In 2016 and 2017, the HTF presented the San Joaquin County Board of Supervisors with recommendations that resulted in the formal adoption of over-arching policies regarding data collection, adoption of a Housing First model, creation of uniform discharge policies, a “No Wrong Door” approach to service delivery, and development of new collaborations and partnerships to secure funding for innovative initiatives. In 2018, the local Continuum of Care charter was revised to incorporate and build upon the success of the HTF and enhance the San Joaquin Continuum of Care (SJCoC) as a more robust, active, and collaborative entity. In 2019, the San Joaquin County Board of Supervisors and the Stockton City Council together adopted the SJCoC as the backbone agency to provide guidance and recommendations regarding policies and actions in response to homelessness.
