Purpose

The purpose of the San Joaquin Continuum of Care (CoC) is to provide leadership and effective stewardship of resources, as well as facilitate community planning, design and implementation of programs critical to ending homelessness in San Joaquin County. We strive for collaboration, communication and transparency and are committed to evidence-based programming and data-driven initiatives. The CoC is a collaborative and coordinating system comprised of government, non-profit homeless housing and service providers, and other community interests that engage, increase public awareness and promotes programs and services that address the needs of the County's homeless population.
