

2026 SAN JOAQUIN COUNTY

Homeless Point-in-Time Count

Tuesday, January 27th

WHAT WILL YOU BE DOING?

Volunteers are an integral part of the Point-in-Time Count effort; they help support a robust and accurate collection of data on our neighbor's experiencing homelessness. Volunteers will form a team of friends/family to conduct a visual tally of persons experiencing homelessness across San Joaquin County on **Tuesday, January 27th**.

Volunteers will work in groups from **5:00am (6:00am in certain areas)** to **10:00am**, meeting their team members at a central deployment center location before walking/driving their assigned routes and aiding with data collection. Volunteers are asked to bring their vehicles to use in the count if they are able.

We cannot conduct this count without you, the community!
